is of epithelial origin. --

- 53. (New) The method of claim 46 or 47, wherein the cancer is of neuroectodermal origin. --
- 54. (New) The method of claim 53, wherein the cancer of neuroectodermal origin is a melanoma. --
- 55. (New) The method of claim 44 wherein the administering comprises administering at two or more sites. --
- 56. (New) The method of claim 55 wherein the administering comprises administering at three sites. --

REMARKS

Claims 1-20 and 42 and 43 are pending before the Examiner. By this third Preliminary Amendment, claims 1-20, 42 and 43 have been canceled without prejudice to applicants' right to pursue the subject matter in a future continuation or divisional application and new claims 44-56 have been added. Upon entry, claims 44-56 will be under examination.

Support for new claims 44-56 can be found inter alia in the originally filed claims 1, 18, 19 and 30-42. Therefore, new claims 44-56 do not constitute the entry of new matter and applicants respectfully request entry of new claims 44-56.

If a telephone conference would be of assistance in advancing prosecution of the subject application, applicants undersigned attorney invites the Examiner to telephone at the number provided below.
